- Assist with maintenance and ongoing support of internal infrastructure
- Managed and maintained internal infrastructure while Service Manager was on leave

Back of House / Runner, Peter Rowland Catering

Apr 2009 - Mar 2010 🕒 11 months

I have worked at many functions where I have been in the “back of house” position which involved the assembly of food in a precise and speedy manner then washing dishes. I have also worked on emergency clean-ups which have required me to be at work very late at night, or very early in the morning. In addition to the function work, I have worked at major events like the MotoGP and the Spring Racing Carnival where I have worked as a runner. As a runner I have received many commendations from cliental and senior members of Peter Rowland Catering.

- Prepared and assembled food in accordance to stringent food safety and handling procedures
- Served alcoholic/non-alcoholic beverages to customers and following my responsibility as a holder of a Responsible Service of Alcohol certificate holder
- Handled cash money and operated a till over several days at the 2010 Kooyong Classic
- Cleaned up facilities using a number of different chemicals safely

Grip Assistant, South Solitary (Film)

Aug 2009 - Sep 2009 🕒 29 days

I worked as a member of the Grips department on the filming of “South Solitary” at Cape Nelson, Victoria. I picked up many new skills and knowledge of how the film industry works.

Delivery Assistant, Reicher & Szylit Amcal Pharmacy Ormond

Aug 2005 - Jun 2008 🕒 2 years 10 months

During my years of service for the Reicher & Szylit Amcal Pharmacy located in Ormond, Victoria I supplied the local residents with their pharmaceutical products. As this job required a strong knowledge of map reading, I was quite successful and fast because I planned out the quickest routes using pathfinding techniques.

Work Experience, Fairweather Homes

- Present

- Evaluated and reviewed architectural plans for residential housing

- Assembled card models of houses from plans
